The Department of Psychology cordially invites you to attend our Rovinsky Family Lectureship. The mission of the Rovinsky Lectureship is to provide cutting-edge professional continuing education by addressing important critical issues in clinical practice. Our speakers are experts within the fields of psychology and mental health and provide training for psychologists, social workers, counselors, psychiatrists and other healthcare providers.

LOCATION:
Philadelphia College of Osteopathic Medicine
4170 City Avenue — Rowland Hall 340A

TIME: 6:00 to 8:00 p.m.
Refreshments will be served.

REGISTRATION
The Rovinsky Family Lectureship is free of charge, but advance registration is requested. To register, please go to https://www.surveymonkey.com/r/fall2015rovinsky.

PARKING
PCOM has a parking garage that can be entered from the PCOM driveway off Monument Road, from Stout Road, or from City Avenue. Cost: $5

READINGS
A brief list of readings for each presentation will be distributed to participants on the evening of the event.

CONTINUING EDUCATION CREDITS
CRITERIA FOR EARNING CE
Those attending must sign into each session, attend each session in its entirety and complete and submit the evaluation form at the conclusion of each session to be awarded a total of 2.0 Continuing Education credits. Partial credits for any given session are not available.

PSYCHOLOGISTS: 2.0 CE hours/credits per event. Philadelphia College of Osteopathic Medicine’s Department of Psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. PCOM’s Department of Psychology maintains responsibility for this program and its content.

NBCC COUNSELORS: 2.0 CE hours/credits per event. Philadelphia College of Osteopathic Medicine’s Department of Psychology is an NBCC-Approved Continuing Education Provider (ACEP) and may offer NBCC-approved clock hours for events that meet NBCC requirements. The ACEP solely is responsible for all aspects of the program. PROVIDER #: 5672.

LICENSED SOCIAL WORKERS: 2.0 CE hours/credits per event. Philadelphia College of Osteopathic Medicine’s Department of Psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. PCOM’s Department of Psychology maintains responsibility for this program and its content. The Pennsylvania Board of Social Work Examiners recognizes and accepts the psychology continuing education hours/credits for social workers. Social workers who meet the CE criteria will receive the Certificate of Attendance.

Director of Continuing Education
Robert A. D’Iscarno, PhD, ABPP

Associate Director of Continuing Education
Bruce S. Zahn, EdD, ABPP

Continuing Education Student Advisory Committee
Rachel Gerofsky, Sarah Decker and Steven Hofberg

Coordinator for Continuing Education
Rachel J. Cuffeld-Gaymon, MBA

PCOM is honored to recognize major support from the family of Harvey Rovinsky for the Rovinsky Family Lectureship. The Department of Psychology appreciates the generous gift from the Rovinsky family, which helps to enhance the speaker series.
ABOUT THE SPEAKER:

Christina J. DiChiara, PsyD

Christina J. DiChiara, PsyD, is a licensed psychologist on the PTSD Clinical Team (PCT) at the Philadelphia VA Medical Center. She received a master’s degree in Counseling and Clinical Psychology from the Philadelphia College of Osteopathic Medicine. Dr. DiChiara joined the Philadelphia VA in November 2014, after serving as first a postdoctoral fellow and then clinical faculty member at the Center for the Treatment and Study of Anxiety (CTSA) in the Perelman School of Medicine at the University of Pennsylvania, under the mentorship of Dr. Edna Foa. At the Philadelphia United States Department of Veterans Affairs, Dr. DiChiara specializes in exposure-based therapy for PTSD, including PE and CPT, and is a certified PE supervisor. She is the Military Sexual Trauma (MST) Coordinator for the Philadelphia VA. Dr. DiChiara also specializes in cognitive-behavioral treatment for anxiety disorders, including Exposure and Response Prevention (ERP) for Obsessive-compulsive disorder, and as an evidence-based treatment for social anxiety, she develops specific phobias, and generalized anxiety.

Educational Objectives

Based on the presentation, the participants will be able to:

• Discuss the core components of both PE and CPT
• Describe situations or conditions that may be contraindicated for initiating PE and/or CPT
• Explain factors that affect choosing PE versus CPT for treatment

Target Audience: Doctoral Level Psychologists and Other Mental Health Practitioners
Level of Instruction: Intermediate
Number of CE Hours/Credits Offered: 2.0  Cost: Free

PTSD

ABOUT THE SPEAKER:
